Departure and a safe trip to your destination.

Greetings from the Ozarks and your host ~ Keith Kellum:

Are you ready for Branson? Well - Branson is ready for you. Dottie and I have things all arranged and they have been checked out by Willard and Shirley Froseth.

Willard and Shirley came to Branson last spring and stayed at the Grand Plaza Hotel and we spent a few days going to shows and seeing what Branson had to offer. At least three out of the four of us agreed to the shows scheduled to see.

For convenience we have our own website: www.reunionpreregistration.com/ussgyatt.htm sign on and check it out.

Sad to say, but Willard & Shirley will not be able to attend this year as a result of a grandchild's wedding. If Dottie and I are not there it is a result of health issues being experienced by Dottie as a result of radiation treatments experienced 30 years ago. So please keep us in you prayers.

Yours in Christ ~ Keith Kellum
